"Action inquiry" is the process of transformational learning that individuals (and even whole organizations) can undertake to better assess current dangers and opportunities, act in a timely manner, and make future visions come true. Through short stories of leadership and organizational changes in the areas of business, politics, health care, and education, this book illustrates how this process can increase personal integrity, improve relationships, and lead to company profitability and long-term success. Leadership is difficult--in our quest to teach leaders the secrets of success, we've somehow lost sight of this truth. Steven Snyder teaches leaders that leadership is a marathon, not a sprint; his book offers key strategies for navigating challenges. In the wake of continuing corporate scandals there have been few, if any, CEOs that have stepped forward as models of "doing things right"—except the former chairman and CEO of Medtronic, Bill George. George has become the unofficial spokesperson for responsible leadership—in business, the media, and academia. In *Authentic Leadership* Bill George makes the case that we do need new leaders, not just new laws, to bring us out of the current corporate crisis. He persuasively demonstrates that authentic leaders of mission-driven companies will create far greater shareholder value than financially oriented companies. During George's twelve-year leadership at Medtronic, the company's market capitalization soared from \$1.1 billion to \$460 billion, averaging 35% per year. George candidly recounts many of the toughest challenges he encountered -- from ethical dilemmas and battles with the FDA to his own development as a leader. He shows how to develop the five essential dimensions of authentic leaders—purpose, values, heart, relationships, and self-discipline. *Authentic Leadership* offers inspiring lessons to all

who want to lead with heart and with compassion for those they serve. Bill George helps readers answer vital questions such as: What should I do when my personal values conflict with company business values? How do I make trade-offs between the needs of my customers, my employees, and my company's shareholders? Do I really want to devote my talents to business? Authentic Leadership provides a tested guide for character-based leaders and all those who have a stake in the integrity and success of our corporations. Sets out the essential elements of a contemporary approach to middle leadership that will help school leaders successfully navigate a rapidly changing educational landscape. This first level of leadership is being asked of teachers far earlier in their careers than ever before - and many of them will have had little or no relevant training, especially in how to apply leadership. With all the research into leadership indicating that positive and motivated teams produce the best results, knowing how to lead a team effectively will ensure that middle leaders have the greatest possible impact on school improvement. In Middle Leadership for 21st Century Schools, Bill Lowe expertly combines the latest educational leadership research with anecdotal reports from a wide range of real-life school experiences to help middle leaders succeed through people-focused leadership and not simply by using data as a weapon. Covering a range of issues - from building and maintaining your professional image, to dealing with conflict and difficult conversations - this book reveals the 'how' of leadership when applied to the day-to-day demands of the school setting. There are plenty of leadership how-to books, filled with advice such as "Just do this to get ahead!" We're overdue for a book that warns business leaders and CEOs what not to do, and why. The Leadership Killer: Reclaiming Humility in an Age of

Arrogance aims to help aspiring, early-stage, and experienced leaders alike answer a critical question: "How will I use my leadership power?" Too many leaders are increasingly abusing their position, in the process damaging themselves and the people they're charged with leading. This is particularly true for men in leadership roles, as the #MeToo movement has brought to light the scale of long-standing male abuses of power that have been happening just below the surface. Co-authored by globally renowned author and executive development trainer Bill Treasurer and retired U.S. Navy SEAL Captain John Havlik, this book brings together two unique perspectives—civilian and military—to explore precisely why some good leaders go bad. With decades worth of insight from training elite military teams, special forces, global companies and organizations, *The Leadership Killer* also contains stories from notable leaders as well as actionable strategies for the reader. *The Leadership Killer: Reclaiming Humility in an Age of Arrogance* exposes the single most lethal leadership flaw. Being a good leader doesn't require being a bad person, and if you know what to look out for, Treasurer and Havlik point out, you can keep your ego and hubris in check and become a leader worth remembering. This book is a celebration of American values as shown by former Texas State Senator and politician Bill Ratliff, a leader in Texas politics who wrote school finance law, major Ethics reform law, and Texas tort reform law. This story will inspire students to service, politicians to greatness, and American citizens to rethink narrow partisanship. Leadership Agility is the master competency needed for sustained success in today's complex, fast-paced business environment. Richly illustrated with stories based on original research and decades of work with clients, this groundbreaking book identifies five

levels that leaders move through in developing their agility. Significantly, only 10% have mastered the level of agility needed for consistent effectiveness in our turbulent era of global competition. Written in an engaging, down-to-earth style, this book not only provides a map that guides readers in identifying their current level of agility. It also provides practical advice and concrete examples that show managers and leadership development professionals how they can bring greater agility to the initiatives they take every day. A dynamic young leader shows how leading with love and respect creates success in business and life. Written by the founder of Operation HOPE and advisor to the past two U.S. presidents, this groundbreaking book makes the case that the best way to get ahead is to figure out what you have to give to a world seemingly obsessed with the question: What do I get? Aimed at a new generation of leaders and extremely relevant for today's economic climate, *Love Leadership* outlines Bryant's five laws of love-based leadership—Loss Creates Leaders (there can be no strength without legitimate suffering), Fear Fails (only respect and love leads to success), Love Makes Money (love is at the core of true wealth), Vulnerability is Power (when you open up to people they open up to you), and Giving is Getting (the more you offer to others, the more they will give back to you). One of today's most influential leaders, Bryant has appeared on Oprah and in articles in the LA Times, NY Times, and the Wall Street Journal. Bryant's bold approach to leadership is well-suited for today's tough economic environment and a world gripped by fear and uncertainty. *Outlines the innovative five laws of love-based leadership*. *Love Leadership* is that unique and powerful book that bridges the gap between solid business advice and pure inspiration. *True North* shows how anyone who follows their

internal compass can become an authentic leader. This leadership tour de force is based on research and first-person interviews with 125 of today's top leaders—with some surprising results. In this important book, acclaimed former Medtronic CEO Bill George and coauthor Peter Sims share the wisdom of these outstanding leaders and describe how you can develop as an authentic leader. True North presents a concrete and comprehensive program for leadership success and shows how to create your own Personal Leadership Development Plan centered on five key areas: Knowing your authentic self
Defining your values and leadership principles Understanding your motivations Building your support team Staying grounded by integrating all aspects of your life True North offers an opportunity for anyone to transform their leadership path and become the authentic leader they were born to be. Personal, original, and illuminating stories from Warren Bennis, Sir Adrian Cadbury, George Shultz (former U.S. secretary of state), Charles Schwab, John Whitehead (Cochairman, Goldman Sachs), Anne Mulcahy (CEO, Xerox), Howard Schultz (CEO, Starbucks), Dan Vasella (CEO, Novartis), John Brennan (Chairman, Vanguard), Carol Tome (CFO, Home Depot), Donna Dubinsky (CEO/cofounder, Palm), Alan Horn (President, Warner Brothers), Ann Moore (CEO, Time, Inc.) and many others illustrate the transitions that shape the type of leaders who will thrive in the 21st century. Bill George (Cambridge, MA) has spent over 30 years in executive leadership positions at Litton, Honeywell, and Medtronic. As CEO of Medtronic, he built the company into the world's leading medical technology company as its market capitalization increased from \$1.1 billion to \$60 billion. Since 2004, he has been a professor at the Harvard Business School. His 2004 book *Authentic Leadership*

(0-7879-7528-1) was a BusinessWeek bestseller. Peter Sims (San Francisco, CA) established "Leadership Perspectives," a course on leadership development at the Stanford Graduate School of Business and cofounded the London office of Summit Partners, a leading investment firm. Their Web site is www.truenorthleaders.com. True leaders open doors of opportunity. "I got to open doors for people!" These seven simple words, spoken by author Bill Treasurer's five-year-old son, cut straight to what matters most about leadership: True leaders open doors for people. This radically simple concept is the heart of Leaders Open Doors. This book presents a fresh and unique take on leadership that will benefit experienced leaders and those just starting their leadership journeys. With a little courage, anyone at any level can be a leader. Drawing on two decades of experience, author and speaker, Bill Treasurer, in this new second edition, combines personal stories and anecdotes to illustrate how (and how not) to inspire people. He approaches these ideas with the belief that great leadership is not hierarchical—it is the peoples' willingness to take initiative and reach their goals that is crucial to successful leadership. When the spiritual gift of leadership comes alive in churches everywhere, the church will become the hope of the world and a most influential force for good. This study aims to demonstrate that presidents are persistent agents of change, continually disrupting and transforming the political landscape. The politics of the "third way" is also discussed in relation to Bill Clinton's political strategies. The Sunday Times business bestseller 'Bill's passion for innovation and teamwork was a gift to Apple and the world. Trillion Dollar Coach has captured his tireless spirit so future generations can learn from one of our industry's greatest leaders' -TIM COOK, CEO, Apple 'Bill shared his wisdom

generously, expecting nothing back but the joy he got from teaching others. I was privileged to have him as my coach for several years. Many times since then, when asked for advice by others, I think of Bill and try to live up to the example he set.' - SHERYL SANDBERG, COO, Facebook

Bill Campbell played an instrumental role in the growth of several prominent companies, such as Google, Apple, and Intuit, fostering deep relationships with Silicon Valley visionaries, including Steve Jobs, Larry Page, and Eric Schmidt. In addition, this business genius mentored dozens of other important leaders on both coasts, from entrepreneurs to venture capitalists to educators to football players, leaving behind a legacy of growing companies, successful people, respect, friendship, and love after his death in 2016. Leaders at Google for over a decade, Eric Schmidt, Jonathan Rosenberg, and Alan Eagle experienced firsthand how the man fondly known as Coach Bill built trusting relationships, fostered personal growth - even in those at the pinnacle of their careers - inspired courage, and identified and resolved simmering tensions that inevitably arise in fast-moving environments. To honor their mentor and inspire and teach future generations, they have codified his wisdom in this essential guide. Based on interviews with over eighty people who knew and loved Bill Campbell, Trillion Dollar Coach explains the Coach's principles and illustrates them with stories from the many great people and companies with which he worked. The result is a blueprint for forward-thinking business leaders and managers that will help them create higher performing and faster moving cultures, teams, and companies. 'Whenever I have a tough decision to make, I think about Bill Campbell. What would Bill do? I owe him so much. He had a gift for helping people to realize their full potential and getting

organizations to work well together. Trillion Dollar Coach does a great job of capturing what made Bill special to me and many others.' -SUSAN WOJCICKI, CEO, YouTube 'Whenever I saw Bill, he gave me great perspective about what really matters. At the end of the day, it's the people in your life. Bill had such strong principles around community and how to bring people together. We used those principles - detailed in Trillion Dollar Coach - to form the foundation of Google's leadership training, so all of our leaders can continue to learn from Bill.' -SUNDAR PICHAI, CEO, Google

A behind-the-scenes analysis of 21 essential leadership principles from the life of Billy Graham. Billy Graham looms large as one of the twentieth century's most influential and innovative leaders. Most people are unaware of his remarkable effectiveness as not only preacher and pastor, but as a CEO and a global leader as well. The Leadership Secrets of Billy Graham is full of transferable applications for leaders in the church, parachurch, academia, government, and business. Lively interviews with his closest associates illustrate 21 principles that have driven six decades of visionary impact. First-hand accounts reveal stories of courageous leadership and growth through painful lessons. Graham's relentless application of core beliefs and leadership principles have resulted in, among many honors, being listed in Gallup's ten 'most admired men' thirty times, more than anyone else. Time magazine named him one of the top ten leaders of the twentieth century. This book asks: How did this happen? What are the essentials he embraced to achieve such extraordinary results? What can we learn from him and apply to our own leadership roles? This book is dedicated to those readers: who sense the pressing need in today's world for inspired leadership; who rise to leadership's high calling and are willing to carry its weight; who are

determined to deepen and expand their capacities and effectiveness. A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, *The Discover Your True North Fieldbook* will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, *Discover Your True North* by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The *Discover Your True North Fieldbook* will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the

essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything you've learned completing this Fieldbook, but does so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit www.DiscoverYourTrueNorth.org to learn more. This book will be invaluable to teachers and other education professionals interested in behavior management, discipline, and colleague support issues. Everyday Practical Leadership (EPL) is the leader's concrete guide to building championship class teams delivering value-added results. EPL enables the Leader's End Game: Create the inspired cooperation and collaboration of my Stakeholder community, generating high-value outcomes! Based on Bill George's bestselling book True North, this personal guide offers leaders a comprehensive method for identifying their unique "True North." The book offers methods for personal reflection and includes targeted exercises that help leaders hone in on the purpose of their leadership and developing their authentic leadership skills. Whitworth University president Bill Robinson highlights five qualities that characterized the leadership style of Jesus. Conversational in tone and seasoned with real-life stories from his own successes and failures as a leader, Robinson helps Christian leaders understand how to emulate the strong yet humble approach to leadership that Jesus used to establish his church. Developing the Leader's Heart serves to introduce Christian leaders to the process that Jesus

used to develop His disciples to fulfill their calling. In doing so, readers will be challenged to look beyond leadership skills and understand the deeper work God wants to do in the heart of leaders in order to accomplish His purposes through them. Jesus began by seeking out twelve unqualified men. His training regimen was something the world had not imagined. He did not expound on the keys of leadership and organizational skills, instead He deconstructed their hearts, shaping them to lead in a whole new way--in a way that would transform lives and bring down kingdoms. These leaders were not merely coached by Jesus, they were formed by Him. In *Developing the Leader's Heart* the reader will discover truths about how Jesus formed unqualified leaders into world-changers and how God takes His leaders today through this same process in order to accomplish His deeper purposes in their hearts and lives. It gives clear biblical examples of how Jesus dealt with His leaders through moments of transformational truth and gives insight into how to overcome burnout, discouragement and other roadblocks of the leadership journey. When *Leadership and Discipleship Collide* Using stories from his own life and ministry, Bill Hybels shows how the laws for leadership success can sometimes crash headlong into another reality: an inner prompting of the Spirit showing you a different approach. The decisions you make at that point could affect not only you, but the ultimate destiny of those you lead. Dr. Bill's Leadership imperatives for exceptional teamwork and outstanding results. Dr. Bill has produced seminars and videos for leaders in the areas of Team Building, Leadership, Communication, Managing Politics, and Self Managed Work Teams “One of the 25 Best Leadership Books of All-Time.” – Soundview The Leadership Classic, Discover Your True North, expanded for today's leaders Discover Your True

North is the best-selling leadership classic that enables you to become an authentic leader by discovering your True North. Originally based on first-person interviews with 125 leaders, this book instantly became a must-read business classic when it was introduced in 2007. Now expanded and updated to introduce 48 new leaders and new learning about authentic global leaders, this revisited classic includes more diverse, global, and contemporary leaders of all ages. New case studies include Warren Buffett, Indra Nooyi, Arianna Huffington, Jack Ma, Paul Polman, Mike Bloomberg, Mark Zuckerberg, and many others. Alongside these studies, former Medtronic CEO Bill George continues to share his personal stories and his wisdom by describing how you can become the leader you want to be, with helpful exercises included throughout the book. Being a leader is about much more than title and management skills—it's fundamentally a question of who we are as human beings. Discover Your True North offers a concrete and comprehensive program for becoming an authentic leader, and shows how to chart your path to leadership success. Once you discover the purpose of your leadership, you'll find the true leader inside you. This book shows you how to use your natural leadership abilities to inspire and empower others to excellence in today's complex global world. Discover Your True North enables you to become the leader you were born to be, and stay on track of your True North. The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His advanced leadership transformed the San Francisco 49ers from the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews to bestselling author Steve Jamison. These became his ultimate

lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions. Bill Belichick: On Football Bill Belichick in his own words! The origins of arguably the greatest coach in professional sports is explored through interviews with Bill Belichick. Learn what he has to say about the fundamentals of football and what he focuses on during practice planning and execution. Ultimately, if you want to win more football games, then your team has to be good in all three areas to include offense, defense, and special teams. This book breaks down his thoughts on all the areas of the game and will help you become a better coach! Get your copy today! Here is a Preview of What You'll Learn... * COACHING PHILOSOPHY & ORIGINS* PRACTICE PLANNING & FUNDAMENTAL FOOTBALL* GAME PREPARATION* X'S AND O'S* STRATEGY AND SITUATIONS If you want an in-depth analysis of the philosophy of Bill Belichick then this book is for you! Updated 2015 In this revolutionary book Bill Grace presents an innovative leadership model designed to cultivate a world-view suited for today's interconnected global society. He offers a framework for people aspiring to live for the good of others because they know that is ultimately the only way to thrive. Through concrete exercises, this book helps readers to determine their deepest values, which Bill proves are the heart and soul of leadership. He then demonstrates how living by these ideals allows the advancement of the common good. Readers learn a practical model for integrating ethics into everyday life and how to make choices

based on concern for all. Bill's ground-breaking approach emphasises attention to justice, care, and inclusiveness, and stresses the urgent need to adopt these practices immediately. The book presents seven principles at the core of this new leadership model. These include traditionally valued leadership traits, such as commitment and vision, and expand on them to include such important practices as seeking out the perspectives of the marginalised, welcoming unpopular points of view, and cultivating the leader's genuine expression and voice. From the author of the bestselling book, *The Disciple-Making Pastor*, is a fresh take on leading like Jesus in every area of life. Whether you are leading a business, a church, or your family, the principles Bill Hull shares will draw you closer to Jesus and show you how to lead as a disciple of the one who transforms everything we know and believe about leadership. The challenges we face these days are so great that we cannot rely entirely on ourselves, our communities, or our organizations to support us and help us stay on track. We need a small group of people with whom we can have in-depth discussions and share intimately about the most important things in our lives—our happiness and sadness, our hopes and fears, our beliefs and convictions. For the past thirty-five years, Bill George and Doug Baker have found the answer in what they call True North Groups. “At various times,” George and Baker write, “a True North Group will function as a nurturer, a grounding rod, a truth teller, and a mirror. At other times the group functions as a challenger or an inspirer. When people are wracked with self-doubts, it helps build their courage and ability to cope.” Drawing on recent research in psychology and sociology, George and Baker explain why True North Groups are so critical to helping us develop the self-awareness, compassion, emotional

intelligence, and authenticity required to be inspired human beings and inspiring leaders. They cover every detail from choosing members, establishing norms, and dealing with conflicts to evaluating progress and deciding when it's time to restructure. True North Groups provides a wealth of practical resources, including suggested topics for the first twelve meetings, advice on facilitating groups, techniques to evaluate group satisfaction, and much more. For the millions of people who are searching for greater meaning and intimacy in their lives, this book will help them to grow as leaders and as people—and to stay on course to their True North.

Organizations require certain qualities and behaviors from their employees, so much so that many individuals feel they lose who they truly are. Leaders, especially, can struggle to be seen as authority figures when they feel uncertain or emotional. Can you ever really be yourself at work? This book shows you how to balance vulnerability, emotion, and authority, so that you can feel effective at work while also being true to yourself. You'll learn from the latest research who is most at risk for feeling inauthentic, what that means for engagement and credibility, and how to decide when is appropriate to just be yourself--or adapt to your company's culture and expectations.-- The turn of the century saw an amazing upsurge in Christian evangelistic and ministry growth. What were the dynamics behind the changes? Who were the leading figures that brought them about? Many will say that Dr. Bill Bright's commitment to Christ's Great Commission altered the way we all see our role in Christian Life. Principles of Leadership is a journey through some of these tremendous changes over the past 50 years and a personal introduction to the man behind many of them. Written by men and women involved in Campus Crusade for Christ's worldwide

ministry and who are personal friends of Bill Bright, the chapters uncover the thrilling worldwide work of God in our time. A Clarion Call to Emerging Leaders: Step Up and Lead Now! In True North: Emerging Leaders Edition, renowned leadership expert Bill George and Millennial tech entrepreneur Zach Clayton issue the challenge to emerging leaders—from Gen X to Millennials and Gen Z—to lead their organizations authentically through never-ending crises to make this world a better place for everyone. Emerging leaders do so by discovering their “True North”—who they are—and then finding their “North Star”—their leadership purpose. To navigate today’s complexities, George and Clayton show emerging leaders how to lead with their hearts, not just their heads, with passion, compassion, and moral courage by being true to their values to reach their full potential as they take on great challenges and navigate complex issues. Harvard professor Bill George, with four best-selling books to his credit including the timeless classic True North, is the former CEO of Medtronic who established authentic leadership in 2003. He teams up with Zach Clayton, an emerging leader still amid his own leadership development journey, to give emerging leaders the definitive guide for leading in today’s complex world. The Emerging Leader Edition is filled with dramatic stories from successful leaders such as Microsoft’s Satya Nadella and Merck’s Ken Frazier to PepsiCo’s Indra Nooyi and General Motors’ Mary Barra, and emerging leaders like OneTrust’s Kabir Barday and Kanbrick’s Tracy Britt Cool of how they overcame great challenges to build highly successful organizations. The book offers concrete suggestions for: Becoming an authentic leader, equipped to lead inclusively with moral clarity through challenges and crises Cultivating regular introspection to ground

yourself with self-awareness, live your values, and use your unique strengths Integrating all aspects of your life—including who you are at home, at work, and in the community Understanding how Millennials are leading more effectively in today's world Being an inclusive leader prepared to take on fraught issues like stakeholder challenges, racial and sexual equality, and sexual misconduct Knowing when—and how—leaders should speak out on today's complex public issues The Emerging Leader Edition of True North is the classic guide for every current and aspiring leader to reach their full, authentic potential. What does it mean to be yourself at work? As a leader, how do you strike the right balance between vulnerability and authority? This book explains the role of authenticity in emotionally intelligent leadership. You'll learn how to discover your authentic self, when emotional responses are appropriate, how conforming to specific standards can hurt you, and when you need to feel like a fake. This volume includes the work of: Bill George Herminia Ibarra Rob Goffee Gareth Jones This collection of articles includes: "Discovering Your Authentic Leadership" by Bill George, Peter Sims, Andrew N. McLean, and Diana Mayer; "The Authenticity Paradox" by Herminia Ibarra; "What Bosses Gain by Being Vulnerable" by Emma Seppala; "Practice Tough Empathy" by Rob Goffee and Gareth Jones; "Cracking the Code That Stalls People of Color" by Sylvia Ann Hewitt; "For a Corporate Apology to Work, the CEO Should Look Sad" by Sarah Green Carmichael; and "Are Leaders Getting Too Emotional?" an interview with Gautam Mukunda and Gianpiero Petriglieri by Adi Ignatius and Sarah Green Carmichael. How to be human at work. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the

pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master. In the wake of continuing corporate scandals there have been few, if any, CEOs that have stepped forward as models of "doing things right"—except the former chairman and CEO of Medtronic, Bill George. George has become the unofficial spokesperson for responsible leadership—in business, the media, and academia. In *Authentic Leadership* Bill George makes the case that we do need new leaders, not just new laws, to bring us out of the current corporate crisis. He persuasively demonstrates that authentic leaders of mission-driven companies will create far greater shareholder value than financially oriented companies. During George's twelve-year leadership at Medtronic, the company's market capitalization soared from \$1.1 billion to \$460 billion, averaging 35% per year. George candidly recounts many of the toughest challenges he encountered -- from ethical dilemmas and battles with the FDA to his own development as a leader. He shows how to develop the five essential dimensions of authentic leaders—purpose, values, heart, relationships, and self-discipline. *Authentic Leadership* offers inspiring lessons to all who want to lead with heart and with compassion for those they serve. Bill George helps readers answer vital questions such as: What should I do when my personal values conflict with company business values? How do I make trade-offs between the needs of my customers, my employees, and my company's shareholders? Do I really want to devote my talents to business?

Authentic Leadership provides a tested guide for character-based leaders and all those who have a stake in the integrity and success of our corporations. In today's changing business world, leaders face more challenges than ever before, whether from increased competition, new ways of reaching customers, or motivating people. Leadership by the Book is an exceptional new book, brimming with insights, ideas, tools, and tactics for becoming a successful leader. Written in the parable format of Ken Blanchard's bestselling *The One Minute Manager* and *Raving Fans*, it tells the story of a professor and a minister who school a young professional in management skills and ethics. Citing Jesus as a source for practical lessons in effective leadership, the authors explore the concept of "servant leadership" and offer simple strategies for bringing vision and values to any organization. Individuals will learn how to:

- Achieve goals without sacrificing character or faith
- Inspire and sustain commitment and others to give their best
- Build teamwork and celebrate successes
- Find personal passion and meaning in work

Sure to be required reading for managers and employees, *Leadership by the Book* can also be applied in day-to-day life by parents, coaches, entrepreneurs, and community leaders everywhere. Presents essays and speeches of over fifty business leaders, from Andrew Carnegie and J. Paul Getty, to Bill Gates and Michael Eisner "This is one of the most unique and valuable books you will read all year, and I highly recommend it." —Jim Kouzes, coauthor of the bestselling and award-winning *The Leadership Challenge* and Dean's Executive Fellow of Leadership, Leavey School of Business, Santa Clara University Even the best leaders—in fact, most of the best leaders—start out as decidedly bad ones. And sooner or later they reach a moment of reckoning that leadership expert Bill

Treasurer calls the leadership kick in the ass. When it happens, it feels like it's all over. But Treasurer says that with the right attitude, that kick can be a new beginning. Based on his work with thousands of leaders, this book reveals how to turn those ego-bruising events into the kind of transformative experiences that mark the paths of great leaders. As Steve Jobs famously said, "Getting fired was the best thing that ever happened to me." This book is a survival guide, coach, and morale booster to help you use that kick to move forward instead of fall down. If you succeed, the next place you get kicked might be upstairs. An unmatched exercise in leadership and self-discovery, written by a best-selling author and the preeminent thought leader on authentic leadership today In the newly revised Emerging Leader Edition of the True North Fieldbook, seasoned executive and Harvard Business School Executive Fellow Bill George delivers an eye-opening discussion of how to find your leadership purpose: your True North. Through a series of reflective exercises, you'll become a better leader by reconnecting with what makes you effective and unique. In the guide, the author walks you through your own life story, sharpening your personal narrative through an intimate process of personal discovery. You'll discover the same lessons taught to MBA students at Harvard Business School and senior executives in many Fortune 100 companies. The Emerging Leader Edition of the True North Fieldbook also offers: New and updated case studies and content from up-and-coming leaders about navigating crises Strategies for encouraging diversity and inclusivity without engaging in tokenism Ways to generate a customized, behaviorally anchored Leadership Development Plan that supports immediate action and impact A can't-miss roadmap to authentic leadership efficacy, the True

North Fieldbook will open your eyes to the once-in-a-lifetime leadership opportunities that await you.
