Having this book in your pocket is just like having a real marque expert by your side. Benefit from James Taylor's years of experience with the Land Rover Discovery, learn how to spot a bad example quickly, and how to assess a promising one like a professional. Get the right Series II Discovery at the right price! Packed with good advice - from running costs, through paperwork, vital statistics, valuation, and the Land Rover community, to whether a Series II Discovery will suit you and your lifestyle - this is the complete guide to choosing, assessing and buying the right Discovery for you. Oh no--it's that time of year again! The hustle and bustle, the scrutinizing and haggling... it's time to buy your lulav and esrog. You thought you learned the pertinent halachos, but the shopping experience is still totally overwhelming. Is the esrog you're holding a mehudar? Your lulav isn't perfect, but is it kosher? At what point do your drooping, darkened aravos become posul? The answers to these and other questions are now at the tips of your fingers. Lekicha Tama, the Lulav and Esrog Buying Guide, holds your hand as you pass through the marketplace confronting these and other questions. With a wealth of information presented in an engaging style, and clear photographs to illustrate its points, this sefer can provide even an advanced student with insights into the pertinent halachos. About the series: The Tekufas Hashanah series provides a refreshing, hands-on approach to certain mitzvos that have not been easily accessible to the layman. The books are distinguished by the clarity of their language, their down-to-earth style, the beauty of their photography, their eye-catching layout, and most of all their purpose: the demystification of mitzvos that people might otherwise be hesitant to approach. The reader, led along by a master teacher, emerges from the experience well informed and empowered.

2016 TOP NUTRITIONAL SUPPLEMENT BUYING GUIDE SERIES 1: Health & Wellness For Guys & Gals Do you ever wonder or even try to find which nutritional supplements and brands are safe, good quality and fairly priced? This book provides a simple easy format for answering these questions, especially when it comes to purchasing nutritional supplements: What, Where and How much? A top 20 safe list of supplements is provided within the contents that provides what supplement to buy, where to get it and how much it cost. I use supplement products myself and do not manufacture or sell my own nutritional supplements. Needless to say, this book and top 20 list is completely biased and fair. Other supplement recommendations are also made in my book providing good examples of quality products to try for beneficial health and wellness. Such examples include Multivitamins, Joint and B-Vitamin formulas. This book does contain page numbers even if the clickable sample peek inside on Amazon doesn't reveal that yet. My book also provides color photo images and an ebook version is available on Amazon as well.
