Letters to a Young Catholic Dec 04 2022 "An engaging, lucid, and informative introduction to the teachings and traditions of

Catholicism” (Wall Street Journal), from one of America’s most prominent Catholic intellectuals. In this remarkable exploration of the Catholic world, prominent Catholic author and papal biographer George Weigel offers a luminous collection of letters to young Catholics, not-so-young Catholics, and any curious souls who wonder what it means to be Catholic today. Weigel takes readers on an epistolary tour of Catholic landmarks—from Chartres Cathedral to St. Mary’s Church in Greenville, South Carolina; from the Holy Sepulcher in Jerusalem to G.K. Chesterton’s favorite pub in Oxford; and from the grave of a modern

martyr in Warsaw to the Sistine Chapel. This revised and expanded edition includes five new chapters that examine topics at the heart of the modern faith—ranging from the mystery of evil to the puzzle of secularization—and feature sacred sites from Lithuania to Mexico. Weaving together insights from history, literature, theology, and music, Weigel illuminates the beliefs that give Catholicism its distinctive texture and explores the theological importance of grace, prayer, vocation, sin and forgiveness, suffering, and—most importantly—love. To a world that sometimes seems closed and claustrophobic, he suggests,

Christian humanism offers a world with windows and doors—and a skylight.

The Pastoral and Education

Letters of Bishop James Doyle of Kildare and Leighlin, 1786-1834 Aug 27 2019 The brilliant Bishop James Doyle of Kildare and Leighlin (J.K.L.) was the outstanding Catholic bishop of his time. This major source book is a companion volume to the author's two-volume study of Doyle which won the NUI Irish Historical Research Prize. It comprises the complete corpus of Doyle's pastoral and education letters. The pastoral letters detail the religious renewal and reform of the Irish Church which Doyle led in the era of Catholic Emancipation. The work contains the national pastoral letters written by Doyle in the name of the entire

Irish hierarchy. Doyle's letters on education are essential for understanding the background to the founding of the national system of education in 1831. They deal with the education of the poor and include letters to the Catholic Association and Daniel O'Connell.

Letter and Spirit Apr 15 2021

The extraordinary vision and panache of Scott Hahn's books have made Catholic theology thrilling and accessible for millions of readers inside and far beyond the boundaries of the Church. In his new book, *Letter and Spirit*, he goes further and deeper than ever before in revealing the meaning and power of both the Bible and the liturgy, showing how in the Mass the saving truths of Scripture are not just proclaimed but 'actualised'.
